- ◉ Availability of facilities and materials encourage healthy behavior
- ◉ ‘Blue Cap’ Students leaders/model (Bottom-up) - observe cleanliness & fix red/blue flags
- ◉ School management is strong
- ◉ Teachers committed

POSITIVE THINGS - CONTD....

- ◉ provide low-cost facility for tooth-brushing and handwashing
- ◉ Have clear roles and responsibilities among teachers and students
- ◉ Dental clinic - corporate sector contributed in dental clinic
- ◉ Community/parents support for handwashing facilities, toothbrushes and tooth-pastes
- ◉ Flowers supported by children - they can sell and earn
- ◉ recycling - collected papers, plastics
- ◉ Toilets clean by students

CRITICAL ISSUE

- ⦿ Group facilities should allow individual use (separate faucet)
- ⦿ Waste-water drainage system -need to improve
- ⦿ Quality of food in the canteen - need to improve
- ⦿ Dental clinic- What happen if there is any dental problems, is there any follow-up after check-ups
- ⦿ Materials produced by themselves can be laminated for long-term use

THANK YOU
