

## Goals

- ▶ G1: Strengthen capacity of both health and education sectors to support all SH, SF and HIV prevention program components
- 

- ▶ G2: Provide **evidence-based messages** for communications and advocacy to build political and financial commitment for the provision of SHN and HIV prevention programmes
- 

- ▶ G3. Strengthen global, regional, national and local **partnerships**

## Learning Objectives

- ▶ LO1: Explain the components of a comprehensive school health programme (FRESH Concept) and the role/responsibility of the partners involved in its implementation
- 

- ▶ LO2: Demonstrate the steps of school health programme planning.
- 

- ▶ LO3: Demonstrate a broad knowledge and understanding of the health issues children face today that can be handled within the education sector
- 

- ▶ LO4: Define the components of school health programme monitoring and evaluation.

## Outcomes

- ▶ OU1: Focused networking and greater engagement between sectors and across Regions
- 

- ▶ OU2: Sharing of Constructive information
- 

- ▶ OU3: Realistic implementation planning is achieved
- 

- ▶ OU4: Priority areas in SHN and HIV&AIDS in each country are identified ( to enable government officials to concentrate resources and programming in these areas)
