

Administration for School Health in Bangladesh

1. Stakeholders:

MoPME, DPE, DoH, DAE, WFP, UNICEF, FAO, DDO-PE, DPEO, UEO, Teachers, SMC, Students, Little Doctor, Little Agriculturists, PTA

Good Practice:

1. Functioning little doctor and little agriculturist
2. Active student council
3. Parents involvement
4. Community participation
5. Home visit
6. Mothers' meeting

Challenges:

1. Lack of coordination among the departments
2. Lack of policies
